Re: SPK-2011-01016
Gunn property in Ouray County (R002355 & R003300)

Dear Mr. Moore:

This letter is in response to the letter dated November 15, 2011 from Ms. Susan Bachini Nall.

Following the meeting held in Grand Junction on December 15, 2011, we are currently investigating our options in this matter. We would request more time to do so. We have a deadline of January 15, 2012 to send a clean-up plan to the Colorado Department of Public Health, Solid Waste Division. We'd like to keep your timeline the same as theirs. Any clean-up involves both organizations and we would like to streamline the process.

Also indicated in the meeting, we should be able to file a FOIA request for a copy of your file in the coming weeks. We intend to do that as we believe it will be necessary to assist an engineering firm to assist in the development of a clean-up plan. I anticipate that we will be requesting another extension from the Colorado Department of Public Health as well.

I look forward to hearing from you.

Best Regards,

WEAVER AND FITZHUGH, P.C.
