RE: SPK-2011-01016 (Tire in the Waterways – Gunn)

Dear Ms. Nall:

Thank you for providing Ouray County with a copy of the Army Corps of Engineers letter to Mr. Gunn. The Ouray County Board of County Commissioners ("Board") issued a Notice and Order for Removal of Rubbish to Mr. Gunn on October 4, 2011. This order was issued pursuant to Ouray County Ordinance 95-1 and requires Mr. Gunn to remove all rubbish, including all tires and associated rubbish from the described property within twenty days or to appear before the Board at a show cause hearing on October 25, 2011, at 1:30 p.m., at the Ouray County 4-H Event Center facility located at 22739 Hwy. 550, Ridgway, Colorado. In addition, Ouray County has responded to Mr. Gunn's request to obtain a Certificate of Designation from the County for the use of waste tires to control erosion on his property, and the County has replied to him indicating that a Certificate of Designation cannot be issued by Ouray County pursuant to Section 3 of the Ouray County Land Use Code. Enclosed for your reference are copies of: 1) Notice and Order, 2) Certificate of Service, 3) Letters sent to adjacent property owners along the waterways, and 4) Certificate of Designation reply letter.

Thank you for addressing this matter concurrently with Ouray County and the Colorado Department of Public Health and Environment (CDPHE). Please feel welcome to attend or send an Army Corps of Engineer representative to the hearing.

Sincerely,

Connie I. Hunt
County Administrator
