UNDERSHERIFF JOEL B. BURK

Board of County Commissioners

Re: Tire investigation /Gunn property

It is the position of the Ouray County Sheriff's Office that the investigation of tire disposal on Mr. Butch Gunn's property has been deferred to the Colorado Department of Public Health and Environment and is considered a civil investigation by their definition. The Sheriff's Office continues to be available to assist CDPHE if needed.

It is also our position that any action taken by the County should be in accordance with the County's own ordinance, 95-1, Rubbish on Private Property, as it relates to this matter.
